

MORE PARTNERSHIP POSSIBILITIES

Bethel Bible College (BBC) is committed to impart contextual theological education and ministerial training appropriate for Indian Mission fields. BBC is affiliated to the Senate of Serampore College which is the only theological university in India to offer BD (Bachelor of Divinity) internal Studies and BCS (Bachelor of Christian Studies), Dip. C.S (Diploma in Christian Studies) external studies in English. Our students are equipped on par with international ministerial training and theological standards to pursue further training and higher studies. To this end, we require the latest books, computerized library, e-materials, and online library resources.

Similarly, we plan to organize symposium on current mission issues with the help of resourceful professors from India and abroad so as to make the outcome available to theological students and the Church at large in the form of books/e-materials.

Professors with credible degrees in theology, history, humanities, biblical studies, communication, counselling, psychology, sociology, philosophy, women studies, postcolonial studies, subaltern studies, and related disciplines are welcome to teach a course, conduct seminars, etc., at BBC.

BBC is also open to have exchange programs for students from other countries. Partnership in the ensuing concerns will be gratefully accepted.

1. Sponsor books or donate used books for our library

See List of Important Books

2. Get e-library premium registration for the college or sponsor the amount of e-library

- a. ATLA Religion Database
- b. Cambridge e-Journals (www.journals.cambridge.org)
- c. JSTOR (www.jstor.org)
